RECRUITMENT OF FEMALE CANDIDATES

Company name : Avery Dennison

Activity sector : Industrie manufacturière

Company category : Grande Entreprise

Description of the action

For managerial positions and beyond, the company has decided that recruiters must propose a shortlist consisting of half of female candidates.

Context

Approach

The "Talent acquisition" teams undertake to propose female candidates in their shortlist.

Objectives

- Increase our female recruitment.

Impact

We currently have 29% women in these positions.

« To do »

- Raise awareness among managers.

« Not to do »

- Include unsuitable candidates just to get candidates in the shortlist.
