Description de l'action

Through the initiative "The Floor is Yours," we create an honest and respectful space where trust is paramount and employees can share their personal experiences and thoughts and discuss specific themes (invisible handicaps, single-parenting, adoption, peer support..) that are dear to them.

What we offer during this session:

- A space for exchange: a place to dialogue, share experiences, and discuss everyday issues related to some specific topics
- A place of kindness: this discussion takes place in a trusting environment, without judgment, where listening and sharing are at the heart of the exchanges.

Appoint a facilitator for the discussion so to ensure that there are no gaps in the discussion.
We also prepare some slides as food for thoughts to help for the exchange.
